### Benefits:

Under the Union Privilege Program, OPEIU provides additional benefits to its members. One of the programs is a Mastercard available only to union members and associate members. Another is a union-member-only Mortgage and Real Estate program that offers competitive rates, down payments as low as 5%, strike protection and financial assistance, a first-time buyers program and more.

We also participate in a legal services program, term-life insurance plan, health needs service, loan program and union family savers program. We continue to investigate other benefits we might offer in the future.

Your membership in Guild 45 makes it possible for you to enjoy all of the above benefits.
